Why Hike?

By taking part in a Hike for Hope event, you're not only showing you care about the world's poor – you're actually doing something about it! All funds raised are channelled through Baptist World Aid to support community development projects among the poorest countries on earth. These projects help provide education, life skills, health care, safe water, agriculture and emergency relief so that children and adults can help themselves out of poverty and become self-reliant. See for yourself the difference you can make and find out more about Baptist World Aid Australia online at www.shareanopportunity.org

Important

- Please return your sponsor form and collected sponsorship funds to your group organiser as soon as possible. This will ensure faster returns of receipts to donors and result in all funds being able to help those in need as quickly as possible.
- All sponsor forms (whether used or not) must be returned to your group's organiser.
- Please ensure confidentiality of sponsors private details.

Note Baptist World Aid Australia cannot accept responsibility for any loss or damage that may arise from involvement with Hike for Hope. Your group organiser must ensure that your church, school, or otherwise has its own insurance that covers all liability for your Hike for Hope Event. Baptist World Aid Australia only agrees to supply support resources and an avenue for groups to donate funds towards projects that will help the poor.

Thank you so much for making a real effort to demonstrate your support for people living in poverty. Every sponsor, every hike, and every donation makes a massive difference.
